

# Parent Participation Policy

## Parent Agreement Form

Desert Sun's Parent Participation Preschool is based on the concept that parents are the significant teachers in their preschool child's life. We hope to serve as a resource to parents as teachers of their young children.

Desert Sun recognizes that each family has its own family living style and time commitments. However, we hope that parents will participate in the classroom with their child a minimum of two times each month. Parents in the parent/toddler interaction program will be required to participate with their child at each class.

In addition, we ask that each family volunteer in some capacity outside of the classroom. Preschool and Kindergarten families are asked to volunteer a minimum of five hours per semester. Families enrolled in Parent/Toddler Interaction classes are asked to volunteer a minimum of 2 ½ hours per semester. Volunteer opportunities include areas such as yard work, repairs, typing, sewing, fundraising, shopping, etc.

At the beginning of the school year a list of volunteer choices will be available for your family. In lieu of volunteer time Preschool and Kindergarten families may choose to donate \$100 for the year, or \$50 per semester. Families enrolled in Parent/Toddler Interaction classes may choose to donate \$50 for the year, or \$25 per semester in lieu of volunteer time.
